A Happy Easter to you all.

Easter for us all will be such an important moment in the year, perhaps made even more special as it has been a couple of years since we have been able to celebrate Easter together in person. The Lenten Cross standing in foyer has, for the past two years, been moved into the garden to show off the flowers as a symbol of new hope through the resurrection. This year I hope the cross will be in the foyer on Easter Sunday Morning, where we can all add a few flowers to make it bright and uplifting. The decorated cross may be moved into the garden after the service to make a more public display.

Easter of course is a time of promise and hope,

Be encouraged. God is good... good times lie ahead.

The cross with the Lenten symbols standing in the church foyer.

*When I survey the wondrous
cross on which the Prince of
Glory died,*

*My richest gain I count but loss
and pour contempt on all my
pride.*

Christ is alive!

*Let Christians sing. His cross
stands empty to the skies.
Let streets and homes with
praises ring, Love drowned in
death, shall never die.*

Remember to keep yourself and others safe in church

With the number of new covid cases still very high in Arun we need to be very careful when we meet together.

Please remember to keep at least 1.5 m apart from everyone else (apart from your own family).

Wearing a mask or visor is not compulsory but we think it safer if you do,

Do not come to church if you are feeling unwell
