Greetings to All

What's in a Name?

If you have passed our church recently, I'm sure you will have seen the new, smart noticeboards. Now that we are no longer linked to the Methodist Circuit we needed to remove references to the Methodist Church. The simplest alternative was to revert to the name that many still use: Littlehampton United Reformed Church. We needed to advertise that our building is also home to Trinity Church. We took the opportunity to design something new, and, at the same time, replace the two damaged display boards either side of the foyer entrance.

While identifying our building we are also conscious of the greatest name of all:

At the Name of Jesus every knee shall bow,

Every tongue confess Him,

King of Glory now!

Chris
